

# ITR ATF DEX III

**ITR ATF DEX III**, Automatic transmission and power steering fluid is designed for the lubrication of torque converters, transmission gear and hydraulic systems used in passenger cars, light trucks and heavy vehicles. It performs high standard to meet the wide range of lubrication requirements found in transmission systems.

## PERFORMANCE STANDARDS

- Dexron III H
- Mercon R
- MB 236.1

## TYPICAL CHARACTERISTICS

- Kinematic Viscosity @ 40 °C (ASTM D 445): 35.0-45.0
- Kinematic Viscosity @ 100 °C (ASTM D 445): 7.0-7.5
- Viscosity Index (ASTM D 2270): 130 min
- Brookfield Dynamic Viscosity: 20 000 cP Max
- Pour point (ASTM D 97): <-42
- Flashpoint (ASTM D 92 & 93): >210
